

footprints33: **Thank you so much Dough & Deborah, inspiring teaching.** 🌹

Happy Learner: EASTER MESSAGE FROM AVATAR

Christian Passy UK: **lol**

DeborahMaltman: **yeh, it is a lot to take in!**

DeborahMaltman: **especially with everyone present together**

DeborahMaltman: **y**

Doug Thompson: **y**

reflectedwords: **y**

DeborahMaltman: **sounds great, clear and loud enough**

DeborahMaltman: **I loved to see you in at 4!**

Doug Thompson: "Father's Day" given that God is all our Father is also "God's Day" 😊

DeborahMaltman: 😊 **Doug**

footprints33:

DeborahMaltman: **hahaha that is super, Carmen!**

Doug Thompson: THAT can work!

DeborahMaltman: **afk, going outside to eat and listen.**

Doug Thompson: you've got to BELIEVE it though!

Doug Thompson: ABSOLUTELY!!!!!!!!!!!!

Doug Thompson: yeah ... the creative part of us, the "little genius"

footprints33: **and thanks to all the beautiful children, unspoiled minds, innocent as they**

are, pure love. 🌹

Doug Thompson: Jesus uses that parenting metaphor many times to Helen and Bill telling them that there are many "children" (already born) who need their nurturing.

DEO is here: Thanks Doug and Deborah...had to leave so didn't get to hear the end...Night All. (I)

Doug Thompson: yeah ... the belief in "victimhood"

Ruthr: same ego system

Doug Thompson: YES!

Ruthr: looks diff on manifestation, all the same

Doug Thompson: yeah, "sin" defined correctly as "missing the mark" or "lack of love" ... makes sense of that message

Happy Learner: **beLIEF i am unloved**

Happy Learner: **keeps me in victimhood**

Doug Thompson: See your children and your brothers with the "Spiritual Eye"

Ruthr: awakeness

Doug Thompson: Yeah, I often wonder how children would be affected IF they were TOLD THE TRUTH and given a chance to internalize it at a young age

deb g: **stress, mostly**

Ruthr: it's all as it should be

Christian Passy UK: **Mind Wandering Correction lol**

Doug Thompson: Miracles always come from "love" I think ...

Doug Thompson: Yeah "the world as ego interprets it" is rather different from "the real world"

Happy Learner: YES

Happy Learner: **IF I REFUSE TO KNOW MY BROTHER AS GOD CREATED i do not know God**

ali2008-148: **hi**

Doug Thompson: A God of Justice whose verdict is always "not guilty"

Doug Thompson: "attack" is an ego-defence based on the idea that if you lose, I win

haiderhoda: **haider**

adele_light: Beautiful Carmen

Doug Thompson: Lesson 157 ... all you can REALLY teach is "Vision" (or that which the Spiritual Eye can see)

footprints33: **where can i find these statements in the course**

adele_light: YES

Doug Thompson: Well footprints33, there are concordances to both the HLC and Urtext on line, which make it fairly easy and quick to find any passage in either based on a single word

Doug Thompson: <http://www.miraclesinactionpress.com/dthomp74/2008/index.htm>

Doug Thompson: then click on "Concordances" and you can generally look up almost anything pretty quickly and easily

footprints33: **thanks for reminding me (Linda).**

Doug Thompson: yw 

Happy Learner: to withhold is source of unhappiness

Doug Thompson: lol "Who's yoh Daddy?!?!?!?" GREAT line 

Doug Thompson: Well yeah, humans may "abandon you" but the important thing is that you can't really "be abandoned"

OmSan1320: **Isn` t the world the perfect dvie for the Atonement? And if so, should I focus on its sickness and flaws?**

OmSan1320: device

DeborahMaltman: **wow, that was weird how Carmens voice went so different for what she said.**

Doug Thompson: I think the trick is not to deny the manifestation of sickness and flaws, but to focus on their healing rather than focussing on projecting guilt or condemnation on them

Doug Thompson: A "flaw" or "error" needs healing, not "negative judgement" or "attack" or "condemnation."

phravor: just reflect to guide you thru

Happy Learner: Love Shares... what is unshared, is valueless

Doug Thompson: Amen David!

litesound: **Carmen...Talking about sharing is there a way to get a copy of this to share ????????**

Happy Learner: THANK YOU CARMEN.....

adele_light:  much gratitude carmen

Happy Learner: i have recorded it

Doug Thompson: I'm recording it Carmen and litesound

footprints33: **this is sooo wonderful teaching. Could listen for hours to your calming voice, gives so much peace. Thank you to allow me to start the day with these**

beautiful thoughts. 

DeborahMaltman: **DOUG is taping it.**

DeborahMaltman: **Terrific talk Carmen!**

litesound: **Very beautiful the way you shared.....**

Doug Thompson: I'm thinking to make the recording of the "Original Dictation" talk today extend to include Carmen's commentary, so it will be a 3 hour recording instead of a 2 hr recording

litesound: **Thanks Dov and Doug..I will be in touch**

DeborahMaltman: **oh, dov does too, I didn't notice that until now.**
